

## Team Peak 2019 Parents' Code of Conduct

- Understand and endorse the purpose of our program: to support kids in becoming people of integrity who will lead their peers, chase their dreams, model responsibility for others, and do good in the world.
- Support the coaches by applauding and encouraging behavior in your child and his/her teammates that demonstrates characteristics of integrity, disciplined effort, teamwork, and accountability. Do not affirm only athletic performance or a victory.
- Acknowledge and appreciate players' growth in every way, and encourage them that hard work pays off.
- Encourage your child with positivity, especially when they make mistakes or fail. We accept failure as a tool for growth.
- Model good sportsmanship by applauding efforts of our team members and opponents. Serve as role models for our players AT ALL TIMES, acting courteously toward coaches, officials, and other parents at practices and games.
- Support the team and program regardless of how much or how little your child plays or what the win-loss record is. Encourage their effort to establish and grow strong relationships with teammates and coaches.
- Refrain from boasting about your child's accomplishments.

***As a parent with the greatest platform to influence and nurture a positive environment, I commit fully to this code of conduct. When failing to live up to these standards, I will allow for accountability and take responsibility for my actions.***
