

Team Peak 2019 Player Code of Conduct

- I act with respect toward myself and the people and things around me, including my parents, my coaches, my teammates, my opponents, the officials, the spectators, and the facilities we use. I leave things better than I found them.
- I serve as a role model at all times by displaying behavior I am proud of. I give 100 percent effort always, and understand that this effort demonstrates my commitment to the team and my respect for my coaches and teammates.
- I will allow failure to become a part of my process to get better. Every time I fail, I commit to learning from it and getting better because of it.
- I accept responsibility for my behavior on and off the court. I understand that what I say and do affects other people positively or negatively. I believe that it is a privilege to be a part of Team Peak.
- I always display good sportsmanship. I applaud the efforts of teammates and opponents. I win without boasting and accept defeat graciously, congratulating my opponents.
- I will give effort to establish and grow strong relationships with my teammates and coaches.
- I commit to a positive outlook, always trying to see the best in others and myself. I will use this positivity to create energy in my life and on my team.

As a member of Team Peak, I commit fully to this code of conduct. I represent my family, my team, and this program with pride. When failing to live up to these standards, I will allow for accountability and take responsibility for my actions.
